NEWSLETTER

It's been a year since
our return from Togo!

Our trip to serve in Togo seems like it was just yesterday, yet it seems so, so long ago—maybe because 2020 has seemed like an eternity. 😊 The rebuild of the cuisine was a success, relationships with the Togolese work team were formed, and we left a piece of our hearts in Togo. Upon our return to the US, we began to plan other projects for the summer of 2020, also in south Togo. Plans for playgrounds and housing began, morphed, changed, grew....then came to a screeching halt in March due to CoVid. Matt was laid off for about a month and a half in May/June. All the while, we found blessings in the slower pace of the spring/summer and the family opportunities it afforded. Now that travel restrictions are beginning to loosen, we are looking forward to project opportunities re-opening.

Prayer Requests: 1.) That God will open doors & make project opportunities evident 2.) For Matt to be able to continue in his current position as a National Product Trainer until our support increases so that he can then cut back and focus more on support raising 3.) That church/ partnership connections that were initiated prior to March begin to present opportunities for sharing as restrictions loosen 4.) That Rylie would have a great freshman year at Cedarville University despite the challenges that CoVid presents 5.) That logistics come together for us to attend the final trainings at ABWE Headquarters (no longer dependent upon support level)

Praises: 1.) Avery accepted Jesus as her personal Savior! 2.) Rylie graduated and is at CU!! In person!! 3.) That school-in-person is a GO for Avery and fall sports are a GO for Isaac—he scored a goal and had an assist off a throw-in at his first game of the season this week! 4.) We have faithful supporters and partners in YOU! Funds continue to build up in our account to make trips possible! 5.) That God would work in the relationships we established in Togo with Matt's work team as we continue to communicate with 4 of the men on a regular basis—may they see Him in us and may we regularly and clearly present the message of the gospel to them 6.) Rylie was able to host our first annual Kousin Kamp in July (since she wasn't able to attend her last year at Scioto Hills Christian Camp—she shared all of her favorite camp activities).
