Building His Kingdom  
One Project At A Time

One Week Minus One Day Until Matt returns home!

Solar Control Room getting sealed up and painted.

84 holes dug—each hole is 24" in diameter and 36" deep

84 pipes cut to length

**More snakes!** The Togolese didn't kill this big python. They thought an American might want to buy it for a pet! Matt was told "**no snakes in pillow cases on the plane!!**" Nope, Matt is not the American they were looking for!

### PROJECT SPOTLIGHT

SOLAR FIELD PREPARATION:  
HBB VISION PROJECT

### SUPPORT UPDATE

WE CONTINUE TO HOVER  
AROUND THE 50% MARK.  
WOULD YOU PARTNER WITH  
US IN PRAYER AND/OR  
MONTHLY SUPPORT?

### Project Praises & Prayer Requests

Despite a delay in the container bringing the pipe from the US, **IT DID ARRIVE**, and they were able to start prepping it right away!

Pray for good weather this week to allow for much work to be done before Matt leaves on Saturday. The task is getting the pipes set in place.

Pray for safe travels for Matt—he leaves Togo on Saturday and makes it home Sunday.
