Building His Kingdom
One Project At A Time

UNDER A WEEK TO GO UNTIL WE LEAVE FOR TOGO

We are headed to The Village of Light in Togo to oversee an addition to the girls' dorm.

This project came together very quickly. Increased enrollment at the school is a good problem to have! The timeline to complete the project is SHORT! The goal is to complete the addition while the students are home on Christmas break. BUT, the building project is fully funded!!!! Praise the Lord!

Matt will be traveling to Liberia for an ABWE project survey & to build 10 SafeT Homes at an orphanage (more details to come).

Please Pray:

- ~Negative Covid Tests
- ~Travel logistics
- ~Safety
- ~Building—the addition and relationships with the US and Togolese work teams
- ~Opportunities to effectively share the gospel
- ~The family (particularly Avery) as we are away for the holidays
- ~This project would bring glory to God
- ~Tasks to be completed before we arrive to give Matt and the team a jump start on the project
