PLANNING AND BUILDING WITH PURPOSE

Project Progress: Matt is 12 working days in; 8ish to go

Please continue to pray for progress, health, safety, relationship building and opportunities to share the gospel in word and action. There have been minor setbacks and challenges (as in any construction project, here or overseas 😊); but they've been able to work through obstacles quickly. FIVE inches of rain in one night can be challenging. But at least it was overnight and not during the work day!!
